- Message from authors

Dear Readers,

Vietnam is a nation steeped in history and culture, both of which have been impacted by multiple factors throughout the years. Reading "Insight into Vietnam: Selected Chapters on Culture, History, and Society," readers will dig into the fascinating facets of this country's past and present.

A society can't function without its culture and history, which serve as pillars around which the society can build its identity and continuity.

Learn more about Vietnam's traditions, values, and beliefs by delving into its rich cultural and historical past. Moreover, it provides a window through which to view the richness and diversity of the nation's history and culture.

Vietnam, like Japan, has a distinct culture because of the way its history, traditions, and people have shaped it. Vietnam, with its fascinating history spanning from ancient kingdoms and Confucian influences to its current revival, has much to teach us.

We would like to inform you that the book you are about to read is based on our previous published academic research. However, we have taken great care to make the content user-friendly and accessible to a wider audience, not just academic scholars.

Our goal is to share the insights we have gained through our research in a way that is easy to understand and relevant to a broad range of readers. We hope that this book will be both informative and enjoyable for you, and that you will find value in the knowledge and perspectives we present.

As always, we welcome your feedback and comments on our work. We believe that your input will help us to improve our writing and better serve our readers. Thank you for choosing to read our book, and we hope that you find it informative and engaging.

Regards,

Jan Vrba, Quynh Huynh, and Long Huynh
